

2-DOOR WARMER/MERCHANDISER

This versatile 2-Door Warmer/Merchandiser is ideal for front or rear counter applications. The operator side has the controls and a door for easy loading. The customer side door makes it a self-serve unit. The adjustable thermostat and circulating fan make this unit ideal for any application. The three adjustable chrome-plated racks can be placed flat or sloped and are removable for easy cleaning. Attractive Graphics help to create impulse sales. Stainless Steel and Aluminum construction provides durability and ease of cleaning.

Great For Merchandising:

Pizza By The Slice

Sandwiches

Donuts/Pastries

Cookies

Pretzels
