

QUEUE-IN-A-BOX

Two posts, one rope, one box...zero headaches.

Featured Product: Model VS400S-PA-VRD6

Model VS400S-PA-VRD6

Everything you need is in one convenient box. The Queue-in-a-Box includes two conventional posts and one **FREE** 6' rope. The single innovative package saves over 50% on UPS shipping charges. The posts have a similar high quality tie-rod construction as our other conventional stanchions, with the added ability to ship Knocked-Down. Just because the rope is free, don't think it's subpar. It's made of the same, premium, 1-1/2" diameter rope that you expect from a quality U.S. manufacturer. We offer you this so **you don't have to sacrifice quality for price.**

Features

- ▶ **FREE** 6' red velour rope
- ▶ Over 50% reduction in shipping costs
